Hi Amber,

I attached a PDF of the paper and a word doc for the supporting information – feel free to give me a call if you have any questions.

Thanks,

Greetings Gail,

I see you are third author on this paper (<http://www.sciencedirect.com/science/article/pii/S1352231016304654>). I am trying to get a pdf of the paper to reference for my research on wildfire-ozone impacts in Colorado. Could you send me a copy of this paper?

Thanks for your time,  
Sincerely, Amber
